Glimpses of the 1st Goa Occupational Safety and Health Expo & Summit 2025 Overview

1st Goa Occupational Safety and Health Expo & Summit 2025 organised by Inspectorate of Factories and Boilers, Government of Goa marked a significant milestone in Goa's commitment in fostering a strong culture of workplace safety, health, compliance, industrial hygiene and sustainable work practices across work sectors.

Held in April, 2025, the maiden edition emerged as Goa's largest and most comprehensive platform dedicated exclusively to Occupational Safety and Health (OSH).

The Expo & Summit successfully brought together key stakeholders from diverse sectors such as manufacturing, construction, tourism & hospitality, healthcare, mining, logistics, education, ports and Government enabling a dynamic exchange of ideas, innovations and best practices in occupational safety and health, fire safety, environment protection and compliance management

Expo Partner

Safety Appliances Manufacturers Association (SAMA) is a non-profit organization dedicated to promoting occupational safety and strengthening the safety manufacturing ecosystem in India through awareness, industry collaboration, and advancement of personal protective equipment (PPE) and safety technologies. At the **1st Goa OSH Expo & Summit, 2025**, SAMA members actively participated by exhibiting a wide range of PPE products and safety solutions, highlighting the capabilities of Indian manufacturers. Building on this momentum, the 2nd edition will feature participation from more than 60 exhibitors, showcasing advanced safety technologies, innovative PPE and next-generation occupational safety solutions, reinforcing SAMA's commitment to enhancing workplace safety standards across industries.
